Students major project will involve caring for the class “baby” for 48 hours beginning in November. They will also need to complete journals, a baby book and a reflection assignment.

There should be 1 week left to allow for review.

Each unit will consist of individual and group assignments, posters, brochures, tests, and written assignments. It is the students’ responsibility to complete all assignments and hand them in on time. Failure to do so may result in an IN which is the same as a 0.

Assignments and pacing may change at the discretion of the teacher.

MATERIALS

Students are expected to bring a pen/pencil, and binder with loose leaf or a notebook with lined pages.

The Developing Child –2010 – Glencoe Publishing -Textbooks will remain in class. If students require one, they may sign it out for the night.

EVALUATION

Marks will be divided under Knowledge and Understanding and Research and Communication. Course work will be worth 70% of your final mark and the final exam will be worth 30%. All course work will be cumulative. The final mark will be a percentage.

There will be a variety of assessment tools utilized, rubrics, tests, antidotal etc. Formative assessment will include homework checks, leave slips etc.

An assignment is due on the due date. Students who are unable to meet that due date must make arrangements with the teacher or take an incomplete. Teachers will use their discretion based on circumstances to make their final decision. An incomplete will result in a mark of zero.

Test rewrites are left to the discretion of the teacher. You should be prepared the first time.

ADDITIONAL INFORMATION

1. Students are expected to be on time for class. A student will be marked absent if he/she is 10 or more minutes late to class. The student will be expected to wait quietly at the classroom door until the teacher addresses the student's tardiness. It is up to the teacher whether to allow the student to enter the classroom.
2. Students are expected to be in class daily. After 10 absences there may be a meeting with the teacher and/or principal, parents and student to identify the barriers/obstacles preventing regular attendance and to develop a plan to prevent future absences. You may be removed from the class if there are too many absences at the administration's discretion.
3. Students are expected to show respect to fellow students and the teacher.
4. Students are expected to try their hardest.
5. Students are not to interrupt other students' learning.
6. Students are responsible for all homework and notes which were missed while they were absent. Students are encouraged to ask a classmate upon returning to catch up on the materials covered during their absence.
7. Research shows that homework is important to learning in high school. Students require enough practice in order to achieve skills. Completing all homework is critical to overall learning.
8. Cell phones and iPods are not permitted in class unless they are being used for research purposes. Students will be treated as young adults and may keep their device on themselves during class. If they choose to be on their device, they will need to hand them in to the teacher at the beginning of every class.
9. If work is not completed during class time it will be assigned as homework.
10. Ste. Rose School Handbook outlines the expectations regarding academic dishonesty (If at any time you are unsure about an assignment it is the student's responsibility to ask for clarification)
11. If extra help is needed, it is up to the student to arrange a time when I am available.
