Phone: 204-447-2088

Fax: 204-447-2457

Hello Everyone:

It is hard to believe that we are heading into the last stretch of school. There are two and a half weeks until exams start for the Grade 9-12 and three and a half weeks of classes for the Kindergarten to Grade Eight students.

If your child is in Grade 9-12 they have been given their exam schedule for June. Please review with your child and establish a plan for studying.

As the warm weather arrives please remember that school clothing should not be revealing. Keep the shorts mid thigh and the tops with an appropriate neckline and shoulder strap.

For the 2018-19 school year Turtle River School Division will be going to a six day school cycle. Prepare yourself to have the calendar close by in your home to plan your appointments.

Yours in Education,

Rhonda Buchanan
Principal

MANITOBA SUMMER FAIR

Bus Changes

Parents are to contact their child's bus driver.

Please write any changes in their child's agenda for the teacher.

If you are unable to contact bus driver contact
Ste. Rose School

If you are unable to contact Ste. Rose School
contact Division Office.

Note: Bus list is finalized at **2:30 pm** daily at
Ste. Rose School

Important Dates:

- * May 28-31 ELA provincial
- * May 31 Physics & Gr. 8 field trip
- * June 1 Student Council year end Activity
- * June 4 Jr. Divisional Ball
- * June 7-9 Provincial Track Meet
- * June 12 Provincial Pre-Cal exam
- * June 18—22 Final exams Gr. 9-12
- * June 23 Graduation
- * June 26 Gr. 5 & 6 Activity Day
- * June 28 Last Day of classes K-Gr. 8
- * June 29 Report Card Pick up
- * Sept. 5 First Day of Classes
- * Sept. 6 Meet the Teacher Evening
- * Sept. 14 Sr. Girls volleyball Gilbert
- * Sept. 21 No Classes-Inservice Day

CANTEEN MENU:

- June 5th: Spaghetti & meatballs/sauce/garlic toast
Chocolate Cake and pudding
- June 6th Chikcen Balls & Rice
Chocolate Cake and pudding
- June 7th Clubhouse & chips
Chocolate Cake and pudding
- June 12th Hot Dogs & Potatoe Wedges
Vanilla Parfait
- June 13th Grilled Cheese & Ham/Baked Fries
Vanilla Parfait
- June 14th Taco in a bag
Ice Cream Cake
- June 19th Homemade Pancakes & Sausage
- June 20th Egg McMuffin with bacon & hashbrowns
- June 21 Smokies & Macaroni Salad with cucumbers on the side.

JEANINNE'S CANTEEN

WILL RETURN

SECOND WEEK

IN

SEPTEMBER 2018

THANK YOU for helping to make our Heart & Stroke Jump Rope for Heart event a success!

Dear Parents;

This year, approximately 53 fundraising students at Ste. Rose School participated in Heart & Stroke Jump Rope for Heart. Together, we raised \$4,242.50 for the Heart and Stroke Foundation – thanks to your support!

Supporting kids' health for more than 30 years, the Heart and Stroke Foundation encourages kids to get active while they collect pledges for heart disease and stroke research. Jump Rope for Heart delivers fun and accessible games with information that encourages healthy eating, daily physical activity and giving back to the community.

This year will mark Ste. Rose School's 33rd year participating in Jump Rope for Heart. We currently have a total revenue of \$133,638.67 that our school has contributed to the Heart and Stroke Foundation.

Plus, thanks to the generous efforts of you and your child(ren), our school also earned valuable resources through the Heart and Stroke Foundation's School Give-back Program.

Together, we can help protect hearts and keep all kids healthy.

Also a big thank you to my parent volunteers: Amanda Parthenay, Nicole Dupre, David Hopfner, and Adri Du Plessis.

Thank you,

Krystal Paradis

HEART & STROKE
FOUNDATION

Social Justice Report

On May 11th, the Social Justice club, along with several members of the Grade 10 English class, held a Wake-a-Thon to raise awareness of injustice in the world and to raise money for the Ste. Rose food bank. The students, and three teachers, stayed awake all night participating in different activities including tie-dying shirts, a BBQ supper, Glow-Tag (once the sun went down), and many others. Everyone had a wonderful time.

We are extremely grateful for all the support from local businesses which helped make this event a positive experience for all participants. Between this event and the luncheon for the staff at the Professional Development Inservice on April 20th, we were able to raise approximately \$1500. We will be going shopping next week to purchase supplies and deliver them to the food bank.

Happy Summer!

All of the band classes have gone on their field trips and the Spring Concert happened on May 17th, that must mean that the school year is nearly done. The Spring Concert went really well. Congratulations to all of the musicians! All that is really left now is to finish up some testing.

The Grade 8 Band students were the first to go to Winnipeg in February for their field trip. They got to see the Charlie Chaplin movie, "City Lights", and hear the Winnipeg Symphony

Orchestra perform the music live. The Grade 6 Band also went in February see the Royal Winnipeg Ballet perform "Sleeping Beauty". They had the added feature of hearing the Winnipeg Symphony Orchestra performing as well, usually the day-time rehearsals use pre-recorded music. The next field trip happened in April when the Senior Band went to Celebrations' Dinner Theatre's production of "Rock 'n' Roll Heaven." We left earlier than in previous years in order to go to The Real Escape and solve some of their rooms. If you have never tried something like this, just ask the students who went – they really enjoyed themselves there! The last group to go on their field trip was the Grade 7 Band. They went in May to see the Royal Winnipeg Ballet perform "Carmina Burana."

Overall, between the great concerts where the students performed marvelously and the field trips, this has been a great year.

Have a wonderful summer!

GET THE KIDS INVOLVED WITH MEAL PREP AND FUN!

Having children around the kitchen may seem like a scary and messy task! However, there are so many benefits to having children in the kitchen that it deserves a second chance!

Benefits of involving children in the kitchen:

- Increased likelihood of trying new foods;
- Practice with reading recipes, handling foods and using utensils;
- Experience working with others and sharing;
- Exposure to safe food handling practices (e.g., washing hands and dishes);
- Quality time that the whole family can participate in;
- Learning skills and information about foods and meal planning;
- Saved time for parents and caregivers.

Simple tasks children can do in the kitchen:

- Help with cleaning vegetables and fruits;
- Measuring out ingredients with cups and spoons;
- Spreading or pouring batters or mixtures;
- Tearing, shredding or crumpling foods with their hands (e.g., lettuce);
- Mashing certain soft foods (e.g., potatoes, bananas);
- Add ingredients to a bag with their spices or herbs and let children shake it up!

Lastly... **Make it special!** Get them their own apron, set of measuring cups or a personalized cutting board and watch them get *EXCITED* about cooking! Getting kids involved in the kitchen will help create healthy habits for the future.

Hands-On Recipe Ideas:

- **No-Bake Granola Bites** (for recipe, see <http://www.gov.mb.ca/health/foodinchildcare/recipes.html>): Let children measure and pour ingredients into the mixing bowl; encourage them to use their hands to form individual balls. This can get messy, but they'll love getting in on the action!
- **Ants on a Log:** Practice spreading cream cheese or peanut/nut butter on a piece of celery or carrot. Add dried cranberries or raisins as ants on their logs! This is a snack kids can help with when you're in a rush!
- **Open-Faced Sandwiches:** Allow children to use different colors of vegetables or condiments to make faces, shapes and images on toast. Use egg salad or hummus as a base. This is a great way to try new foods!
- **Cookie Play Dough:** Skip the cookie cutters and let children use their hands to shape cookies into their favorite animals, letters or geometric shapes. Older children can use forks or dull knives to add texture and detail to their cookies!
- **Explore the Kitchen:** For the younger kids that can't help much around the kitchen, introduce them to different objects every week. Simply describing measuring cups, spatulas and pots and pans can promote interest in cooking and being in the kitchen!

Ste. Rose School - Exam Information

June 4, 2018

Dear Parent/Guardian,

Re: Student Attendance - Second Semester Exam Dates June 18 - 21, 2018

The second semester is coming to a close and regular classes will end on Friday, June 15th, 2018. Senior Years students will be writing their final exams as per the schedule attached. Please read the information below as it relates to your child.

As per Turtle River School Division policy all exams will be written in the gym (or computer lab if required) and exams will begin at 9:00 am or 1:00 pm sharp. Tardiness is not acceptable and students who are late will not be given additional time to write the exam unless a legitimate reason exists (eg. Bus is late). Students will be given three hours to write their exams but must remain in the exam room until 10:30am for morning exams and 2:15pm for afternoon exams. Hats & jackets are not permitted in the exam room – please leave in your locker. Students are to bring only items required to write the exam. Backpacks, purses, cell phone etc are not to be brought into the exam area. Talking to other students or referring to prohibited notes while the exam is in progress will result in the removal of your exam and a mark of zero will be assigned for that subject’s exam. Students should return all textbooks to their teacher before they write a final exam. All exams are to be written the day they are scheduled. An exam deferred to an alternate date **MUST** have prior **administrative** permission and to be for legitimate reasons.

Grade 11 and 12 students may go home or downtown when they finish their exam **if** their parents have signed the consent form allowing them to leave the school during lunch and spare periods. This form was signed at the beginning of the school year. Grade 11 and 12 students who remain in school to study for the next day’s exam may use the supervised study library or library computer lab.

Grade 9 and 10 students may go home when they finish their exam if they have a signed permission form – see below. Grade 9 and 10 students without signed permission forms will not be permitted to go downtown during the spare periods as per school policy. There will be a supervised study hall for all remaining students.

Grade 9 and 10 parents are to sign below to indicate your consent to permit your child to either go home or downtown.

All course work for semester two courses must be completed by Friday, June 15th, 2018 by 3:30pm.

Graduation for Grade 12 is on June 23rd. Last day of classes for students grade K-8 will be June 28th, 2018 .

Thank you for your attention to this matter.

Sincerely,

Rhonda Buchanan, Principal

My child _____ who is currently in Grade _____

has my permission to leave the school upon completion of his/her exam.
