

Ste. Rose School Newsletter

Hello Everyone!

One month complete and we have settled into our new school year.

Cross country only has provincial competition left. Ste. Rose is proud to have two athletes competing. Mr. Grammatico has done a great job of working with the athletes this year.

Volleyball has also started with Mr. Zadarozny having a full roster of Senior boys. The Senior Girls have been busy practicing with Mrs. Preston and Mr. Anstett. We have had some great competition with Gilbert Plains so far.

Hot Lunch program will continue this year. Various school groups will be participating and preparing the meals.

Reminder that the next parent committee meeting will be on October 16, 2023 at 7:00 pm.

If you have any questions or concerns please call the school at 204-447-2088 or email at

rbuchanan@trsd.ca

When your child is absent

please notify the school by 8:45 am.

Thanks for your help with attendance.

Celtics Sports Updates!

Divisional Cross Country Winners!
Congratulation's for a job well done.

Varsity Girls Volleyball

The volleyball season is very young, but we are looking forward to the challenges that face the varsity girls volleyball this season. Kathy Preston has returned to coach the girls. The season started off with a loss to Gilbert Plains. The girls battled hard and competed valiantly against a team that is expected to be one of the top teams in the province at the "A" level this season. Gilbert came back to Ste. Rose and we were edged out in a very close game; losing in the 5th set.

The girls are registered in many tournaments and games this season. We start off with a tournament in Glenboro at the end of September. After that, we head to Hamiota in the middle of October and finish off October with divisionals and a tournament in Minnedosa. November will bring zones and a home tournament to Ste. Rose during November 3rd and 4th. We hope to see the community out during those days to support the girls. We finish off our scheduled tournaments in Dauphin the weekend after.

We also have many home games this season. Our home games are:

- October 2nd vs Glenella
- October 12th vs McCreary
- October 18th vs Alonsa
- October 23rd vs Ebb and Flow

We have a very promising team and we are looking forward to this season.

The Grade 5 Class

This year's Grade 5 class is off to a great start! Our numbers of students this year is lower than usual, but mighty in all other ways! We have established our routines and expectations and have created a fun environment for learning built on respect and responsibility. Right now, we are exploring whole numbers in Math, survival in ELA and weather in Science. We look forward to great adventures in Grade 5!

RE: VISION AND HEARING SCREENING

Dear Parents, Guardians, and Caregivers:

Please be informed that during the months of October and November we will be screening your child's vision and hearing. Our vision and hearing screener has been scheduled to come to your child's school to complete the first screening. This year, we are doing odd grades (K,1,3,5,7,9,11) and new students who had registered with our schools. If your child is flagged, they will be referred to our Speech Pathologist who will do a second screening. You will also receive a letter notifying you that a follow-up will be occurring. If they are flagged a second time, you will receive a letter recommending your child be further checked with your optometrist or audiologist.

Yours in Education,

Beverly Szymesko
