

SCHOOL REPORT 2022/2023 & PLAN 2023/2024

- 1) Please use this template to complete your **2022/2023 School Report on Outcomes and 2023/24 School Plan**.
- 2) Once completed, please forward your report and plan to your school division office as directed.
- 3) Information and links about **school planning** are available at www.edu.gov.mb.ca/k12/ssdp/index.html.
- 4) Questions can be directed to 204-945-7188 toll free at 1-800-282-8069 ext. 7188.

SCHOOL REPORTING 2022/2023 and PLANNING 2023/2024

Identification

Name of School Division Turtle River School Division	Name of School Ste. Rose School	Name of Principal Rhonda Buchanan	Date (yyyy/mm/dd) 2023/10/03
---	------------------------------------	--------------------------------------	---------------------------------

School Profile

(Complete the following using FTE as of Sept 30th.)

Number of Teachers 17	Number of Students 209	Grade Levels K - 12	There is an Educational for Sustainable Development (ESD) plan for the school. Yes/No? Yes
What is your mission statement? Giving our best to help students become their best.			Year Revised 2023

SCHOOL REPORT – 2023/2024

School Priorities

1. Literacy
2. Numeracy
3. Mental Health

Previous Years' Successes: Please comment on successes and progress towards meeting previous school plan outcomes.

Expected Outcomes	Results (status, data or anecdotal evidence). Feel free to attach file with results, if needed.
1. Students in Ste. Rose School will increase their reading fluency and comprehension skills. By the end of June 2023, 70% of grades 2 to 8 students will be reading grade level material with 90% accuracy or higher, and with satisfactory comprehension (based on divisional reading assessments, including the Fountas and Pinnell Reading Assessment kits).	Sixty Nine percent of Grade One students increased their reading fluency one grade level by June 2023. Fifty seven percent of Grade Two students increased their reading fluency one grade level by June 2023. Twenty Nine percent of Grade Three students increased their reading fluency one grade level by June 2023. Thirty-three percent of Grade Four students increased their reading fluency one grade level by June 2023. Due to loss of data the Grade Five stats are not available. Twenty-three percent of Grade Six students increased their reading fluency one grade level by June 2023. Fifty percent of Grade Seven students increased their reading fluency one grade level by June 2023. Forty percent of the Grade 8 students increased their reading fluency one grade level by June 2023.
2. Students in grades 4 to 9 in Ste. Rose School	Sixty four percent of Grade Four students demonstrated an understanding of 80% or more of Grade level essential outcomes in Math. Eight percent of Grade Five students demonstrated an understanding of 80% or more of Grade

<p>will increase their numeracy skills. By June 2023, 70% of grades 4 to 9 students will demonstrate an understanding of 80% or more of the grade level Essential Outcomes in math (as assessed by the mLRC final quiz administered by the classroom teacher).</p>	<p>level essential outcomes in Math. Thirty One percent of Grade Six students demonstrated an understanding of 80% or more of Grade level essential outcomes in Math. Fifty Seven percent of Grade Seven students demonstrated an understanding of 80% or more of Grade level essential outcomes in Math. Seventeen percent of Grade Eight students demonstrated an understanding of 80% or more of Grade level essential outcomes in Math.</p>
<p>3. By the end of June 2023, every student in grades K to 12 in Ste. Rose School will have the opportunity to take part in a minimum of five team building and/or wellness activities. A minimum of one professional development day for school staff will be provided on the topic of mental wellness.</p>	<p>Staff participated in one mental wellness day with pickle ball or indigenous beading as their choice. Ste. Rose students in Kindergarten to Grade Four students participated in five mental health activities. Ste. Rose students in Grade Five to Grade Eight participated in six mental health activities. Ste. Rose students in Grade Nine to Twelve participated in five mental health activities.</p>

SCHOOL PLAN – 2023/2024

<p>Planning Process</p>
<p>List or describe factors that influenced your priorities.</p>
<p>TRSD plan influenced the priorities of Ste. Rose School’s plan. TRSD direction was to focus on literacy, numeracy and mental health after Covid-19. We are in year three of a three-year plan.</p>
<p>Describe the planning process and the involvement of students, staff, families and the community. Who was involved?</p>
<p>Ste. Rose School admin shared with staff the three areas to focus on for school plan. Ste. Rose School admin contacted the different teachers in regards to programming and baseline assessment. TRSD had the social worker help develop a plan for mental health with staff. Staff meetings discusses the three goals and communication via email to clarify data and plan with staff.</p>
<p>How often did you meet?</p>
<p>Communication via email was continuous with staff. Ongoing discussions at staff meetings regarding mental health.</p>
<p>What data was used?</p>
<p>Reading results from classroom teachers. MrLC data for numeracy and TTFM data for mental health.</p>
<p>Other highlights?</p>

<p>School Priorities</p>
<p>1. Literacy</p>

2. Numeracy

5. Mental Health

School Plan

Expected Outcomes

What specifically are you trying to improve for student learning?
(observable, measurable)

Strategies

What actions will you take?

Indicators

How will you know that learning is improving?

Data Collection

By what means will you collect evidence of progress toward learning?

1. Students in Ste. Rose School will increase their reading fluency and comprehension skills. By the end of June 2023, 70% of grades 2 to 8 students will be reading grade level material with 90% accuracy or higher, and with satisfactory comprehension (based on divisional reading assessments, including the Fountas and Pinnell Reading Assessment kits).

- Focus will be placed on a reading intervention program to support students who are reading below grade level.
 - ELI
 - LLI
 - Precision Reading
 - Reading Comprehension Intervention
- Reading A to Z licenses will be purchased for all K to grade 9 classrooms.
- Teachers can sign-up their classes for “Epic Books”
- Words Their Way and Spelling programs
- Students placed in literature groups
- Guided reading groups will be supported – (with the assistance of librarian, resource teacher, EAs, etc.)
- Teachers will teach multiple text decoding strategies to support reading development.
- High Frequency Sight words will be practiced at school and at home to support student whole-word development. (rings of Dolch words)
- Schools will support Home Reading programs in all of their elementary classrooms.
- Students will be loaned books from school and classroom libraries.
- Focus on critical thinking skills.
- Novel studies on books with an indigenous theme
- Infuse reading strategies across all subject areas
- Buddy reading
- I Love to Read Month activities
- Use reading assessments to inform instruction

- students will use a variety of decoding strategies
- reading comprehension will improve.
- student’s high frequency word banks will increase.

- students will respond critically to a variety of text
- students will regularly borrow books for reading independently
- students will read books online at home and in their spare time using their Reading A to Z account and/or Epic Books account
- classes will have home-reading programs.

- Fountas and Pinnell Reading Assessments

2. Students in grades 4 to 9 in Ste. Rose School will increase their numeracy skills. By June 2023, 70% of grades 4 to 9 students will demonstrate an understanding of 80% or more of the grade level Essential Outcomes in math (as assessed by the

- Perspectives from the indigenous culture embedded in lessons and mathematical problems
- Numeracy continuum to help identify missing foundational skills

- students are competent in the four basic math skills and will have rapid recall of addition, subtraction, multiplication, and division facts

- Numeracy Project Grades 4 to 9 Quiz #4 assessment data as completed by classroom teachers.

<p>mLRC final quiz administered by the classroom teacher).</p>	<ul style="list-style-type: none"> • mLRC Numeracy Project PD and program initiatives for grades 4 to 9 • Use formative assessments to inform instructional practice. • Review the mLRC quizzes to understand students' misunderstandings. • Emphasis on applying strategies to solve a problem – implement the GRASS problem-solving method. • Detailed questions that require multiple layered problem-solving – to support student mental math abilities • Real life problem-solving and questions that are practical and relevant to students, especially indigenous students • Allocate time specifically for problem solving and for mental math and for practicing mental math strategies. • Opportunities, games, and activities to provide for the memorization of number facts • Daily Smartboard activities (calendar math, Jump Math) • Teacher Numeracy Professional Development. • Mathletics for all grades • Hands-on learning • Guided math and Math centers • Home work that focuses on practicing skills 	<ul style="list-style-type: none"> • students are strong in mental math calculations. • students will apply a variety of mental math strategies when solving mathematical problems • students can apply basic formulas to solve mathematical problems. • students will be able to problem-solve • “multiple step” math problems • students will use a variety of strategies to solve problems • students will show their thinking in various ways (e.g. pictorially, symbolically, concretely, etc...) • mLRC quiz scores will improve • continual growth in basic facts on computer programs (Mathletics, Sumdog, etc.) 	
<p>3. By the end of June 2023, every student in grades K to 12 in Ste. Rose School will have the opportunity to take part in a minimum of five team building and/or wellness activities. A minimum of one professional development day for school staff will be provided on the topic of mental wellness.</p>	<ul style="list-style-type: none"> • Staff will plan events in their classrooms. • Student Council will provide school wide events • School traditions will continue such as Grade Wars, Christmas meal, etc. • Administration will organize a staff wellness activity • Ste. Rose School social committee will organize events • Use of mental health presentations, software to address student needs. 	<ul style="list-style-type: none"> • positive student achievement • strong student engagement • high staff retention • positive attitudes of staff • positive school climate • improved attendance • reduction in student and staff anxiety and depression • fewer referrals to the Division Social worker or other counselling services • fewer behavioural referrals to the school office. • each student will have two adults in school with whom he/she feels comfortable speaking when needed. • student and staff activities are occurring, • students report they are feeling safe on TTFM survey 	<ul style="list-style-type: none"> • Administration will log at staff meetings.
